Dear United States Deputy Sheriffs' Association,

I can't thank you enough for your recent donation. With a small department and recent budget cuts it can be difficult at times to obtain the gear for my Officers to perform their duties. The donation of 3 traffic safety vests, 3 Scorpion LED Tactical Lights and a car First Aid Kit will be of great use for my Officers and this Department. Thank you for your interest in supporting a smaller Kansas Police Department.

Best regards,
