Greetings:

I would like to take this opportunity to thank the United States Deputy Sheriff's Association for the two Preliminary Breathe Test devices (PBT's).

This past couple of weeks I have been before my commissioners working on getting equipment to bring my office up-to-date. When I was appointed sheriff in August 2013, I told the deputies and the community that I would work hard to get the much needed equipment to better serve the community. The U.S. Deputy Sheriff's Association has helped with that need.

The Bourbon County Sheriff's Office is very grateful to receive the PBT's from the U.S. Deputy Sheriff's Association.

Respectfully submitted,

A handwritten signature in blue ink that reads "Wm. K. Martin" followed by a stylized flourish.

Wm K. Martin, Sheriff
