To: United States Deputy Sheriff Association

Our agency recently received 3 new Point Blank Level 2 ballistic vests from your organization.

These vests have been issued to our new deputies, and were much needed in order to insure their safety while serving our community.

Without your organization, these officers would unfortunately be in a situation to wear "hand me down" body armor, which does not fit properly, nor provide the level of protection that the new vests the USDSA provide.

I thank you for the incredible work that you do for law enforcement agencies and officers across the country!

Best regards,

David M. Groves
Sheriff, Cherokee County Kansas
