On behalf of the Erie County Sheriff's Office (Pa.) and the citizens of Erie County, I would like to thank the United States Deputy Sheriff's Association for providing six Portable Breathalyzer Test Kits to this office.

This will be an added tool, to be used by our School Recourse Officers in educating and protecting the children and youth throughout our county. They will also assist in keeping our citizens safe.

Once again we are extremely grateful for this acquisition, at a time where everyone is having budgetary issues and the USDSA comes through to help Sheriff's and deputies nationwide.

Sincerely,

Sheriff John T. Loomis
