Re: Equipment Donations

On behalf of the Oblong Police Department, I would like to personally thank you and your staff for the recent donation of 4 tactical flashlights, four traffic vests, and 4 trauma kits for our officers. Without your help and commitment, we would not be able to have these items due to budget constraints. All of the equipment is necessary for our jobs.

Again, we thank you for what you do by providing needed equipment to police agencies. We are very grateful for your organization.
