

Mike,

I want to personally thank you and the organization for the donation of the ballistic shield to the Oblong Police Department. We are as small agency that cannot afford this type of equipment which can prove to be very valuable in certain events. Your organization has been very generous to us over the past years and we thank you deeply. Without your support we would not be able to have some of the equipment that you have donated. Thank you very much again. Also, I have attached a photograph.
