Dear Mr. Willis:

More than 25 years ago, The Hundred Club of St. Lucie County was created to assist the families of emergency services officers who die or sustain serious injury or disability in the line of duty.

I am grateful that you took the time to make a donation to The Hundred Club for the benefit of the family of Sergeant Gary Morales, whose tragic death February 28, 2013, was such a shock to us all.

You may rest assure that 100 percent of your donation will go to the surviving family members because all of the work of The Hundred Club is done by dedicated volunteers. Your donation is an important affirmation of this community's support for the Morales family and for the men and women who have sworn to protect the lives and property of our county.

On behalf of myself, the members of the St. Lucie County Sheriff's Office, The Hundred Club and all those who serve as emergency services officers, thank you.

Best regards,

Jane Rowley, President
The Hundred Club of St. Lucie County
