Dear Executive Director Willis:

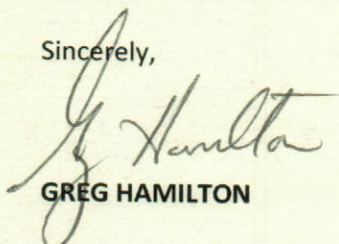

On behalf of the men and women of the Travis County Sheriff's Office, I want to personally thank you for your love and support during this difficult time.

The outpouring of sympathy shown to the Travis County Sheriff's Office family, and the family of Deputy Hollis, has been overwhelming. It shows the strong spirit of the community in which we serve and makes us proud to live and work here. I am truly humbled by the dignity, respect, and passion shown for Deputy Hollis and I pray that God will continue to bless the memory of Deputy Hollis and all of our fallen law enforcement officers.

Greatness is not what you have; greatness is what you give. Jessica gave much, she gave the ultimate sacrifice. May we make it part of our own life's mission to ensure that she is never forgotten and that she is forever honored. We will always remember her dedication, commitment, and bravery in keeping our community safe.

Again, words alone cannot express our great appreciation for the outpouring of love, comfort and support that you have extended to the Hollis family and our law enforcement family. The acts of kindness will be forever imprinted on our hearts and remembered always.

Sincerely,

GREG HAMILTON

Senior Deputy Jessica L. Hollis
