

Information on the Dream of a Lifetime sweepstakes presented by USDSA

Thank you for your interest in the 2017 Dream of a Lifetime sweepstakes presented by the United States Deputy Sheriffs' Association.

You have not yet won. The drawing for the 2017 Dream of a Lifetime sweepstakes will be conducted in June 2018. Following the random drawing, winners will be notified directly by Ventura Associates International LLC, the independent judging organization that administers this sweepstakes. You will not need to follow-up with us to see if you have won anything.

The United States Deputy Sheriffs' Association is participating in the Dream of a Lifetime Sweepstakes to increase awareness of the thousands of law enforcement officers who urgently need survival training and life-saving equipment to continue to do their job safely and protect the communities they have sworn to serve.

A donation is not required to enter the sweepstakes and it won't increase your chance of winning the sweepstakes, however, if you choose to make a donation to the United States Deputy Sheriffs' Association, rest assured, your gift will not go toward the sweepstakes prizes. That's because some very wonderful people have already put up all the money to secure the awarding of the prizes claimed.

Ventura Associates International LLC notifies all winners directly. However, if someone calls you and says you have to send tax payments to them in advance of receiving a prize or pay a processing fee, be wary—this is usually an indication that the caller may be a scam artist. Always ask for written confirmation and use common sense before disclosing personal information or sending money to people you don't know.

If you would like to be removed from future sweepstakes mailings please send your request to info@usdeputy.org with your full name and address and your desire to be removed from our sweepstakes appeals. Or, write to the United States Deputy Sheriffs' Association, Attention: No More Sweeps to P.O. Box 1836, Merrifield Virginia 22161.

If we were unable to answer your question related to the 2017 Dream of a Lifetime Sweepstakes please call (212) 991-9660 and a Ventura Associates representative will assist you.

Yours for a safer America,

David Hinners
