Larry G. Spence
Sheriff

On behalf of the members of the Willacy County Sheriff's Office and the family of Patrol Sgt. Alejandro "Alex" Martinez Sr., we would like to thank you for your cards and letters of support and prayers after the loss of our officer. Your words, thoughts, and prayers, have carried us through our ordeal and grief, and there are no words that can express the sincere appreciation and love we have for our brothers and sisters in law enforcement who were there for us during this time.

Let everyone know that we read over and over each and every card, letter, and e-mail, and I have made them available to the officers of our department to view, and then they will be turned over to the Martinez family for their viewing as well. Our prayers are that you and your department, staff and associates, be blessed by Almighty God for all you do, and that He will keep you safe as you all do your honorable duty. To all the first responders, officers, jailers, fire, EMS, correctional officers, dispatchers, administrators and others who thought of us, a big hug and thank you from the bottom of our hearts. One card or letter would have made a difference, but to date we have received over a hundred and ten of them. Stay safe!

Sincerely,

Larry G. Spence-Sheriff
