WYTHE COUNTY

3/2/2016

United States Deputy Sheriff's Association
319 S. Hydraulic St., Suite B
Wichita, KS 67211

I am writing to express our deepest thanks for your recent donation to the Wythe County Sheriff's Office. We could not provide the level of safety to our citizens if it was not for donors like you. The U.S. Deputy Sheriff's Association and Z-Medica help to law enforcement in this country is astounding. You generously provided our agency with tactical medic kits in February.

I cannot express my sincere thanks enough due to a recent in the line of duty death at another Virginia agency this past week. A police officer was shot and killed on her first day on the job. I have listened to the radio traffic that transpired on that tragic day. Apparently, they only had tactical medic kits in some of their vehicles but not every car. What you are doing free of charge to any agency is protecting the nation's guardians of the peace.

There is no way to fully express our gratitude for giving this agency lifesaving equipment without having even met. We at the Wythe County Sheriff's Office are continually inspired by the dedication and generosity of donors like yourself who answer the call to give again and again.

In closing, I hope you realize you may have saved a life without knowing by giving these kits to our agency. Thank you so much Z-Medica for providing these kits and U.S. Deputy Sheriff's Association for getting them to the agencies!

Sincerely,

Major Anthony Cline
