Dear Mr. Mike Willis,

On behalf of the Allen University Department of Public Safety I want to personally thank you, the United States Deputy Sheriffs Association, and all of the vendors that participated in providing the needed equipment for the department. Because of your recent generous donations to the Allen University Department of Public Safety we were able to equip 3 Officers with ballistic vest and provide all Officers in the department with trauma kits and tactical flashlights to be used in the field.

The Department as well as the administration of Allen University, are very grateful for the support that the United States Deputy Sheriffs Association has provided to include training, because of your donations lives will be saved in the event of any emergency situation that may arise.

Once again thank you for your generous donations.

Thank you,

Chief Kelvin C. Davis
