United States Deputy Sheriffs Association,

Thank you so much for your kind donation of 6 trauma kits and a PBT.

The Batavia Police Department is the County seat here in Clermont County Ohio. We serve a population of just over 1,500 residents. With your donation we are now better equipped to serve our community.

Again, thank you for your donation. All of us here at the Batavia Police Department appreciate your generosity.

With Kind Regards,

Chris Whitaker

Acting Chief of Police
