RE: Training

Wanted to give my sincere appreciation to the United States Deputy Sheriffs Association for their invaluable training you recently gave to our officers. The content of the training you provide is robust and consistent and is necessary for today's law enforcement officer.

Mike and David, I have enjoyed not only the outstanding training you have given us but the friendship we have attained over the past 4 or 5 years you have been coming to Benedict College. What you do for law enforcement agencies is a must especially in these troublesome times and the additional training and instruction you provide will have a lasting effect for years to come.

Once again thank you for helping my department out again. Be Safe!
