We want to thank the USDSA for their generosity in helping get us the following items for our department.

- 4 Ballistic Body Armor
- 2 Model 500 PBT
- 1 Replacement Straw Package for PBT

Your assistance in donating this safety equipment is appreciated. The body armor will be beneficial in protecting our deputies. Our deputies protect Bradley County which has a population of 11,508. We have a small department that consists of only 4 full time deputies along with 2 part time deputies.

Thank you again,

Sheriff Herschel Tillman
