Chief Joe Portio

Greetings,

I, want to thank Mike Willis and the United States Deputy Sheriff's Association for helping equip our officers at the Dexter Police Department. Our officers are putting their lives on the line each and everyday with little to no equipment to access others or their self in a emergency situation. Our officers need and deserve any type of equipment and training to complete their job and as first responders in our community and keep them safe. We sincerely thank you for your donation and assistance in equipping our officers with tools they need of 5 personal trauma kits. The trauma kits will be a huge tool to our officers when in a dangerous situation or on a scene in our community and need to address the type of situation when needed. The 5 trauma kits have been issued to all officers and will keep them on their person at all times. God bless you all and keep you safe and once again thank you and the USDSA for never forgetting about us and your donation.

Sincerely,

*Officer Kalama K. Davis
Dexter Police Department*
