On behalf of the officers of the Eastborough Police Dept., I would like to personally thank the United States Deputy Sheriff's Association for the equipment they acquired on our behalf. The 2-Intoxilyzer 500 Preliminary Breath Testing machines and the 6-Quik Clot Belt Trauma Kits were much appreciated by all the officers and all but two have been distributed.

We will utilize the PBT's on a regular basis and the Belt Trauma Kits are something we hope we never have to utilize but won't want to be without in the event they are needed. Thank you so much for everything you do for police officers around the country. This donation is much appreciated.

Sincerely,
