L. D. Sanders - Police Chief

To: United States Deputy Sheriff's Association

I would like to take the time to thank the association for the two PBT's and belt trauma kits that we recently received on grant. These will be very handy as we serve the citizens of Fordland Mo.

We just recently had an establishment open that serves alcohol, and also have a major highway running through our jurisdiction. This highway connects with a major city about 17 miles to our west and we have always had issues with intoxicated driver's coming through our jurisdiction.

It is through donations that we are able to keep good equipment for our officers to use.

Thank You

L. D. Sanders

Chief of Police

Fordland Mo.

Donald Burks

Mayor
