

The World
Needs
More People
Like You

The world needs
more people
as thoughtful as you,
For joy is a part
of each nice thing
you do...

The kindness you share
brightens so many days -
Thank you for all
of your wonderful ways.

We received your package today.
We are overwhelmed by the amount
of appreciation cards in the package &
I hope we never have to use the
wound care provided, the cards mean the
most to us. Our faith in the general
public has been restored. Thank you so
much. This package means the world
to us.

Forever Greatful,
The Grifton Police Dept.
Town of Grifton North Carolina.
