

Dear Mr. Willis and Mr. Hanners,

On behalf of the Highland, IN Police Department, I would like to extend our thanks for your generous donation of tourniquets and combat gauze packets that your Association sent to us last week. We also received a large amount of cards of appreciation for our officers in the box.

It is a wonderful feeling when others think of our officers and extend their kind thoughts and give us these wonderful, lifesaving gifts.

Please extend my thanks to the rest of your organization for me.

Sincerely,

John
