Mike Willis
National Training Director / Law Enforcement Program Coordinator
United States Deputy Sheriff's Association

Dear Mr. Willis,

On behalf of the Deputies and staff of the Itawamba County Sheriff's Department I would like to offer my sincere thanks and gratitude to you and your association. The donation of the safety equipment made by your association to the Itawamba County Sheriff's Department will prove to be invaluable as we continue to serve the citizens in our communities.

The portable breath test units (PBT) and the emergency belt trauma kits have already been distributed to the Deputies. It is my belief that any assistance we can provide to the enforcement staff is priceless as they strive every day to serve the public to the best of their abilities.

The United States Deputy Sheriff's Association has proven to be a reliable partner to law enforcement.

Sincerely,
