

Dear Mike Willis,

The Knox County Sheriff's Office would like to thank you and the United States Deputy Sheriff's Association for the trauma kits and drug test kits we received. I was amazed at how simple it was to obtain these items from the U.S.D.S.A. without having to go through miles of "red tape". It was simple...we asked...and we received within a week's time. I truly appreciate the U.S.D.S.A. for the assistance and efforts your organization provides, not only for our agency, but for all law enforcement agencies throughout the country. Again, thank you for your assistance and for the job you do.

Sincerely,  
Chief Deputy Scott D. Duncan  
Knox County Sheriff's Office
