Dear Mr. Willis,

I would like to personally thank you for the recent donation of the stream light Scorpion LED flashlights that we received from the United States Deputy Sheriff's Association. Due to budget constraints there is no funding for this type of equipment. The flash lights will be very beneficial to my officers during vehicle and residential searches to help locate narcotics and make Lee County a safer place to live. Thank you again for your generosity. If our office can be of any assistance please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink that reads "Jimmy Woodard".
