

Good morning sir,

On behalf of SRO Pat Guerrero, Doug Walton, Mike Sprunk, Ross Deanda, Vincent Chapa, Rob Ferreryra, Erika Selinsky, Alfred Torres, Miguel Amaro, Carl Padilla, Joe Griego and myself we would like to say thank you for the active shooter vests. Your organization has made our SROs safer and will make our job much easier when and if an emergency occurs at any of our schools. Many of our schools are located in the remote parts of Valencia County with response times being very slow from other agencies. Many officers and deputies have never ventured to our schools and by not knowing our locations, could cause another added delay. Again, I just want to say thank you from the Los Lunas School District and the Los Lunas Community.

Officer E. Taylor
