Dear Mr. Mike Willis and Mr. David Hinnners,

I would like to personally thank the both of you along with the United States Deputy Sheriff's Association for the many thank you cards, tourniquets and combat gauze packets that were kindly donated to the Mansfield Resident Troopers.

We hope to never need to use these items however they are necessary tools in the event of a critical incident to help save a life, possibly our own. Once again, I want to extend our appreciation to you and your organization that help unite the many citizens who care and support the men and women of law enforcement.

Respectfully,

Sgt. Keith Timme
Resident State Trooper Supervisor
