Dear Executive Director Hinnners,

On behalf of the men and woman of the Nevada Highway Patrol, the family of Sergeant Ben Jenkins, and myself, thank you for your condolence letter.

The profound loss that we feel cannot be fully expressed. Sergeant Jenkins was a great man who dedicated himself to serving others and put his life on the line so others could live peacefully. Although so many did not know Sergeant Jenkins, they recognized the ultimate sacrifice that he made in living up to the highest ideals of law enforcement. He will forever be remembered as a brother, friend, husband, father, grandfather, and son, but most of all as a Trooper.

The support that you, along with other law enforcement agencies, citizens of Nevada and so many other wonderful people have shown has been beyond what I would have ever imagined. Your words have helped ease the loss that the Nevada Highway Patrol has felt.

I have forwarded your letter on to Sergeant Jenkins' wife Jodi. Thank you, again, for the expression of sympathy for our fallen Sergeant.

With Appreciation,

A handwritten signature in blue ink, appearing to read "D Solow".
