Reference: Equipment Donations

We would like to personally thank each and every person that works, helps or may be involved with the United States Deputy Sheriff's Association for their commitment and dedication to helping not only our department but many others. The staff were excellent and very helpful. After speaking with Mike, we received a donation of (13) - Z-Medica belt trauma kits, (13) - Xtreme Lumens Night Stick Tactical Flashlight and a (1) - CMI Intoxilyzer 500 PBT without delay. Not only was the service great but Mike also reached out to make sure everything was ok.

This equipment has been issued to each one of our officers and placed into service. This equipment will help our officers in the performance of their daily duties. May God bless each one of you and this organization for the support and generous donation.
