November 13, 2019

To the United States Deputy Sheriff's Association, we at the Pond Creek Police Department and the City of Pond Creek would like to thank you for the Ballistic Vest, you were able to donate to the Pond Creek Police Department. Pond Creek Assistant Chief of Police Matthew Hankins and Pond Creek Police Officer Larry Porter are very grateful for the new Ballistic Vest to help them in doing their jobs serving the community in a safe manner. It is the help we are able to get from Associations and Organizations such as yours that allows small Departments such as ourselves be able to keep our Officers trained, equipped, and safe, so that we can continue to keep our communities safe. We look forward to being able to work with you and helping you to help other Departments in need in the future.

Pond Creek Chief of Police/City Marshall Michael Payne
