March 12, 2020

United States Deputy Sheriff's Association

On behalf of the City of Portal and the Portal Police Department, I would like to thank the United States Deputy Sheriff's Association for supporting our agency. Your generous gift of the \$5,000.00 grant enabled our agency to purchase three much needed in car video camera systems from 10-8 video. Without this grant we would have not been able to purchase these in car camera video systems.

Your program of supporting law enforcement agencies across the United States is truly making a great impact and is allowing officers to provide their citizens with the best service possible while keeping themselves safe. With budget funds tight in law enforcement agencies across the entire Country, it is organizations like yours who really make a difference to the safety of our officers.

We cannot thank you enough for the support you provide law enforcement across the United States.

Sincerely,

  
Jason Sapp  
Chief of Police
