From the desk of
Blake Hall
Patrol Captain

I want to personally thank you Mike Willis and the United States Deputy Sheriff's Association for helping to meet the needs of the Tellico Plains Police Department. Our most valuable assets within the Tellico Plains Police Department are our first responding officers. We humbly thank you for the donation of the 9 emergency belt trauma kits to our office. They have been immediately issued to our officers and placed into service. May God bless you and your organization for your generous donation.
