Dear Mr. Willis:

On behalf of the labor union of 19,000 active and retired New York Police Department Detectives — the Detectives' Endowment Association, Inc. — thank you very much for your continued support and encouragement, especially during this very difficult time of attack on all fronts: with an international and deadly pandemic; and the anti-police sentiment that has permeated various segments of our society.

We appreciate your kind words and your signed "thank you" cards, which we plan to distribute to our members and those who appreciate the hard work the men and women of the NYPD perform on a daily basis.

Your support through the years has not gone unnoticed, as your organization has donated many times to our Widows' and Children's Fund and particularly whenever we have suffered a line of duty death. Sadly, we recently lost six active Detectives to the Coronavirus this spring.

Again, many thanks for your continued support.

Fraternally,

Paul DiGiacomo
President
