Mike,

On behalf of the USD 365 Police Department, I would like to thank you and the United States Deputy Sheriff's Association for the Intoxilyzer 500 PBT, extra tubes, and the trauma kit. These items will be a great asset in ensuring the safety and wellbeing of our staff and students.

Your organization made this extremely easy and stress free with the friendly application process and the fast response both by email and phone.

I think that your organization is a blessing, and we will be forever grateful for the assistance you have given our small agency. I wish you all the very best in your future endeavors and have the upmost respect for everything you stand for and represent.

Sincerely,
