To Mike Willis,

We are so grateful to you and United States Deputy Sheriff's Association in your recent assistance in helping with the needs of our Sheriff's Office. We are so grateful for organizations like this that care about helping the First Responder's with valuable equipment. This was a huge asset for us. We have been in need of First Aid Kits for the Deputy's on patrol. Your quick response and agreeing to meet our needs with 48 First Aid Kits was much appreciated. The First Aid Kits were passed out quickly and our staff was very thankful for them. May God Bless this organization abundantly, for helping those who Protect and Serve.

Sincerely,

*Capt. D. Loyd*
