Director Hanners,

On behalf of Chief Robert Tracy, I wanted to thank you and your organization for the Thank You cards. We distributed them to our officers working the street as well as our specialized divisions. As you know, 2020 proved to be a challenging year. However, our officers were reminded by many residents throughout the year that they were greatly appreciated. These Thank You cards were another reminder and were well received. Thank you for all that you and your organization do for law enforcement. Stay safe and thank you again.

Respectfully,
