# USDSA is Dedicated to the Support of Law Enforcement Across the United States

The United States Deputy Sheriff's Association (USDSA) is a 501(c)(3) non-profit organization dedicated to the support of law enforcement, their families, and their communities through equipment donations, a highly acclaimed national training program, End of Watch donations, scholarships, cash grants, and citizen awareness programs.

A lifetime gift to USDSA is a great way to help us keep providing the many programs we have for Law Enforcement Officers and their families. Your gift means more FREE lifesaving equipment to underfunded agencies, more FREE training to keep America's Officers safe, continued support of law enforcement families through our End of Watch and Scholarship programs, and the means to fulfill our mission to encourage the general public to support, honor, and recognize law enforcement for their sacrifices.

*"I would like to thank the United States Deputy Sheriff's Association for providing the Langston University Police Department with the essential tools in order to meet the objectives and mission of our department. During the current Covid-19 crisis, state budget allocations have been cut and operating budgets have been significantly reduced as well. . . We thank you for helping us continue forward in providing our agency with the necessary tools to assist those who are in need, and to combat underage drinking and drunk driving"*

## THE UNITED STATES DEPUTY SHERIFF'S ASSOCIATION LEGACY GIFT

Making a legacy gift or bequest to The United States Deputy Sheriff's Association is a great way to show your continued support for the men and women in Law Enforcement across America.

This pamphlet will provide you with some information you will need for making a legacy gift and several different ways you can leave a gift to USDSA. We always encourage everyone to consult with their families and legal or financial advisors before making any of these kinds of gifts and to determine which way of leaving a legacy gift is best for you.

### Charitable Bequest

#### Will or Trust

A bequest can easily be included in your will or trust specifying a gift to USDSA. There are several options for the way the bequest can be done.

- Gift of a specific dollar amount or asset.
- Gift of a percentage of your estate.
- Gift of a particular asset.
- Gift from the balance or residue of your estate.

#### Retirement Accounts

A gift or donation can be made through your retirement accounts such as IRA, 401(k) or other retirement accounts, by naming USDSA as a beneficiary.

#### Life Insurance Policies

Life insurance policies that are no longer needed to assist family members can be an easy way to leave support by naming USDSA as the designated beneficiary.

#### Banking and Investment Accounts

Bank and investment accounts are also an easy way to leave USDSA a legacy gift. By naming USDSA as a beneficiary as a TOD (Transfer on Death) or a POD (Payable on Death). Please check with your banking institute to make sure such accounts are permitted.

#### Qualified Charitable Distributions (QCD)

At a certain age you are required to make a required minimum distribution (RQDs) from your tax-deferred retirement accounts, according to the IRS. This QCD is a direct donation from your IRA paid directly to a qualified non-profit organization. As a direct payment the donation is not considered part of your income and is not taxable.

Information your attorney may need for drafting your will or legacy bequests.
