On behalf of the Centerville Police Department, I would like to thank the United States Deputy Sheriff's Association for their donation of two Rifle Plate Carriers to our agency. As you know, active shooter events can occur at anytime and anywhere and have become too common in today's society. Equipment like these vests are vital to protect officers responding to such events, providing additional protection and allowing officers to stay in the fight to save lives. The generosity of the United States Deputy Sheriff's Association is greatly appreciated for their donation of this equipment.
